

Worship

It can be intimidating to go to a new church for the first time. This is a great step of faith, and the start of a great journey.

Enroll

If you're looking to grow, a great first step is to join a LifeStage group. They are a way for us to experience "community" and be a part of each other's lives.

Pioneers

Joining our first level ministry teams will help you discover your God-given gifts, make a deeper connection with others, and become a part of something bigger.

Establish

Establishing a relationship with Christ is the beginning of the Christian life.

Unify

Learn the ins and outs of being a member. Sunday nights we focus on the ministry, goals and purpose of the church.

Hosts

Take the next step in serving, by branching outside of your LifeStage group and serving the body as a whole.

Train

Wednesday nights are refreshing at Knollwood. They are a chance for us to regroup from the week, encourage one another and enjoy focused, deep, bible study. Making this a regular part of your week will be a game changer.

Investors

An even greater, more-in depth, hands-on approach to the ministries of Knollwood.

Nurture

This is about building the habits of the Christian life into your life. These habits will help you continue in your growth and produce lasting results in your life and ministry.
